Online Color Requests

ONLINE COLOR REQUESTS

AkzoNobel is pleased to offer to our customers an online color request form that immediately registers your request with our color development lab. To access the request form, simply go to our website at www.signfinishes.com, select Color Services and click on the link for Color Matching. From the color matching page select the link for the electronic request form.

You may also save the following link to your computer to access the request site. <http://akzonobel.formbin.com/forms/color>

For a brief tutorial, continue to the next page to learn more about our online color request form.

Master Color Request Form - AkzoNobel

AkzoNobel Car Refinishes

Materials being submitted should be forwarded to:

AkzoNobel Car Refinishes
Pinturas Condor SA de CV
Roberto Fullon No. 2
Tlalnepanitla Edo. De México, 54030
Mexico
Attn: Color Services

NOTE: THE ADDRESS MUST APPEAR EXACTLY AS SHOWN ABOVE TO AVOID ANY UNUSUAL DELAYS IN DELIVERY.

IMPORTANT: Overnight Instructions and Criteria

If you want your package to ship overnight, please ensure that it meets the following criteria.

1. The sender needs to select the IP service (international priority),
2. The samples need to come in a FedEx envelope.
3. There is no need for a commercial invoice.
4. The weight needs to be less than 0.50 kg.
5. The Package contents description should be documentation.
6. The document description must mention the term "correspondence / no customs value" or "documentation required to develop color samples".

On the next page you will receive a **unique ID number**. Please include this number with any panels you submit to our offices. Thank you!

Phone # 1-800-618-1010
Fax # +52 (55)-5317-1519
Email: ColorSupport.ANCRNA@akzonobel.com

The final step before submitting a request displays shipping information and procedures for sending samples to our lab in Mexico.
