

# Grip-Gard® Plus

## Grip-Gard Plus Matte Reducers

**B01, B02, 2.8 444**

### Three Flattening Agents – for Three VOC Levels

Grip-Gard Plus is the highest quality and most productive paint line in the sign industry. And, Grip-Gard Plus provides the most flexibility for your paint needs with a minimal amount of inventory.

With just one set of toners, Grip-Gard Plus provides the solution for all VOC levels, and for any gloss level. From a matte finish, to satin, to semi-gloss, Grip-Gard Plus Matte Reducers are easy to mix, easy to apply, and provide you with the most consistent appearance available in the market.

In areas that require 2.8 lbs/gal VOC, use Grip-Gard Plus 2.8 444 Matte Reducer. For 3.5 lbs/gal VOC, use Grip-Gard Plus B01 Matte Reducer. And if VOC compliance is not required, use Grip-Gard Plus B02 Matte Reducer.
